Essential Question: What are the causes and consequences of urbanization?
Vocabulary: Urbanization, Infrastructure, overcrowding, Industrialization, Poverty

Activating Strategy: Close your eyes. Imagine you are in a big city. Make a list of things that you see.

Teaching Strategies:
- Complete Urbanization Cause/Consequences graphic organizer using the following information:
  - Read pages 75-76 on Urbanization – students will record definition for urbanization
    - Assessment Prompt 1: Why would you want to move to a city? Students should pair share benefits of living in a city. Discuss as class.
  - Have class read text pages 219-220 (end of Growth of Cities) - Latin America, 308-310 (end of Leisure) - Europe, 558-560 (end of Healthcare) – Africa
    - Assessment Prompt 2: What are some of the consequences of living in a big city? Students should pair share some of the consequences of urbanization in Latin America, Europe, and Africa. Discuss as class.
  - United Streaming video Geographical Eye Over Asia Indonesia: Urban Development in Jakarta Students will fill in guided notes as they watch the video.
    - Assessment Prompt 3: Construct a Venn Diagram comparing and contrasting urbanization in Jakarta and either Latin America, Europe, or Africa.

Homework:
You are writing a brief pitch to movie executives who are interested in creating a movie based on your life story. Create a flow chart of your life that includes: your beginnings in a rural area, reasons for moving to an urban area, what you found in the city, what your life was like, and how you turned it around!
SS Warm-Up

1. What is a suburban area?
2. What is a rural area?
3. What is an urban area?
4. Why would people move to an urban area?
Close your eyes....

Imagine you are in a big city. Make a list of things that you see.
What are the causes and consequences of urbanization?
Graphic Organizer

• Record the definition for urbanization
• Why would you want to move to a city?
• Pair share benefits of living in a city.
• Discuss as class.
Graphic Organizer

• Read pgs. 219-220 on Latin America.
• Read pgs. 308-310 on Europe.
• Read pgs. 558-560 on Africa.
• Record the causes and consequences of urbanization for each.
• What are some of the consequences of living in a big city?
• Pair share some of the consequences of urbanization in Latin America, Europe, and Africa.
• Discuss as class.
Urbanization in Jakarta
Compare and contrast urbanization in Jakarta and either Latin America, Europe, or Africa.
3 – 2 – 1 Summarizer

- 3 Consequences of Urbanization
- 2 causes of urbanization
- 1 definition of urbanization
Homework – Make a Poster

• You are making a “movie poster” pitch to executives who are interested in creating a movie based on your life story.
• Make poster of your life that includes:
  – your beginnings in a rural area
  – reasons for moving to an urban area
  – what you found in the city
  – what your life was like
• This should be done on a 8 ½ x 11 sheet of paper (can be done on notebook paper, computer or copy paper, or construction paper.)
